| Marius Golombeck<br>(Germany) | JaeHee Han (South Korea) | 5 (Phillip Island) | Lap 12, Turn 4 #92 coming from over 2 car lengths back, hits my rear after already being fully turned into the corner, almost spins me around, pushes me wide and therefore leads to me losing the position. At no point was there any chance for him to make a regular pass coming from this far back.                                       | P02 JaeHee Han (South Korea) time penalty enough to put the driver behind the victim. 0 penalty points.<br><br>This decision was handled during the race even without protest. |
| Kieran Harrison (UK)          | Gyumin Kim (South Korea) | 6 (Okayama)        | Turn 5/6 (after hairpin at end of main straight) Kim slows on exit and I pull along side, he then aggressively swerves left, causing contact and forcing me to back out. This is directly responsible for him maintaining his position and could've caused a larger incident especially with the netcode issues with racing across the world. | P01 Warning given to Gyumin Kim (South Korea ) and 1 penalty point.<br><br>This decision was handled during the race even without protest.                                     |
